I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

It would be a disgrace if a McDonalds opened in a suburb like Newtown, which values authenticity, originality and uniqueness. McDonalds have been linked to environmental damage and worker exploitation, and care only about making a profit, not the community. Why would Newtown want mass-produced junk food when we have a plethora of incredible pubs and restaurants run by local individuals and families? Newtown is a suburb for genuine small businesses, not greedy monoliths.

Newtown does not want a McDonalds, nor does it want the people who would eat there. The suburb was sunk low enough with the KFC opening recently.

I have lived in Newtown for over a decade and have always been proud that my suburb does not have a McDonalds. Let this not change.

Your Objection (edit or send as is):

Dear City of Sydney Council,

Please see below a formal objection from a community member regarding the proposed development at 212–214 King Street, Newtown.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.

The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area’s identity.

re: Objection to McDonald's Development on King Street

As a local resident, I strongly object to McDonald's proposed development on King Street. This plan poses significant risks to the character of our community, local businesses, and public wellbeing.

King Street has always been a vibrant village with independent businesses, small bars, and unique restaurants. The strip is already becoming compromised by fast food chains. A McDonald's would further disrupt the character of this neighbourhood with a standard corporate design that doesn't fit our community. It will be a huge detriment to local businesses that are already struggling.

There are already too many fast food shops on North King Street. An existing McDonald's is only 1.8 km away in Stanmore. McDonald's already delivers to the area via services like Uber Eats.

McDonald's typically generates significant waste, worsening local litter issues and straining waste management. The resulting mess would impact the area's appearance and may attract pests.

The development would increase vehicle traffic and noise (especially late at night) and cause parking issues in an already over-crowded area.

Rather than approving this development it would be better to support local, independent businesses, encouraging businesses that align with Newtown's village character, prioritise diverse, community-focused enterprises, and support for affordable, accessible and nutritional food in the area.

This McDonald's proposal conflicts with the community's interests and undermines the Heritage character of Newtown. I respectfully urge the Council to reject the application.

Sincerely,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
As a local I oppose the proposal to introduce a this fast food chain (McDonalds) due to its potential impact on the health and wellbeing of local children and adults, the increase in food related refuse that puts a drain on council resources, the financial impact on local businesses and the reputation King Street has as a diverse and thriving 'eat street'.
To elaborate on the first point, this location is in walking distance from at least five schools. Research has demonstrated that fast food restaurants near schools have a negative impact on our children, leading to increased obesity and related diseases.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses. It is bad enough that we have endless tobacconists taking over, major fast food chains are not part of the community business we want to foster in Newtown.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied.

Your Objection (edit or send as is):

Dear City of Sydney Council,

Please see below a formal objection from a community member regarding the proposed development at 212–214 King Street, Newtown.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown. I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown. The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area. With KFC already up the road I believe that major American companies such as a McDonalds will take space and economy away from local businesses, detracting from the unique, diverse Australian culture and community of King Street.

Furthermore, as a recent graduate of Newtown High-school I believe that this will cause further crowding during lunch hours and 3pm, causing disturbance to local businesses and contributing to unhealthy eating habits in young people.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

As a long term resident of Newtown (25 years). I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity. More importantly this chain feeds soldiers that kill innocent civilians.

Development Application Objection Form

Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.
I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.
King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.
I respectfully request that this development application be denied.
