I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.
I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.
King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.
I respectfully request that this development application be denied.

Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied

Objection Message	I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown. I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown. The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior. Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, litter, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

Kind regards,

Lexi Sturrock

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

Our local area does not require nor need a 24-hour fast food outlet at this location. It would significantly impact the character of our beloved Newtown, increase late-night noise and litter, and damage the surrounding small businesses, and long standing businesses, that have supported the local area.

King Street is known for its diversity, arts culture, and independent food scene — and many residents and broader Newtown community feel this proposal does not align with the area's identity.

To:
City of Sydney Council
Attn: Cissy Li
Planning Department

Re: Objection to DA at 212-214 King Street, Newtown

DA Applicant: SLR Consulting Australia Pty Ltd

Proposal: Alterations and additions for use as takeaway food and drink premises with associated signage. Proposed 24/7 operation.

DA Lodgement Date: 08/07/2025

Exhibition Period: 11/07/2025 to 07/08/2025

Estimated Cost: \$1,751,791.00

I strongly object to the proposed development application for a McDonald's outlet at 212-214 King Street, Newtown, for the following reasons:

1. Incompatibility with Newtown's Independent Commercial Character

Newtown is widely recognised as one of Sydney's most distinctive cultural and retail precincts, defined by its independent businesses, unique dining options, and alternative character. The introduction of a multinational fast food chain such as McDonald's represents a significant departure from this character.

The presence of such a corporate brand directly undermines the small, locally owned businesses that give Newtown its identity. These independent restaurants and cafes not only drive foot traffic to the area but also cultivate a unique sense of place that draws visitors from across Sydney and beyond. A McDonald's outlet risks diluting this identity, creating a precedent for further commercial homogenisation.

2. Negative Impact on Local Employment and Economy

Local hospitality venues are one of Newtown's largest employers, particularly for young people, students, and creative workers. These businesses often offer diverse roles with more flexible and community-oriented environments. The entry of a global franchise with vertically integrated supply chains threatens to divert revenue away from local producers, suppliers, and employers.

Over time, the economic health of the precinct may suffer as foot traffic is siphoned away from unique venues in favour of a low-cost, highly standardised alternative.

3. Disruption Caused by 24/7 Operation

The proposed 24-hour, 7-day-a-week operation is completely out of step with the predominantly daytime and evening trading rhythm of King Street. Such operating hours are likely to increase late-night noise, littering, and antisocial behaviour, particularly given McDonald's tendency to attract large groups in the early hours.

This change would be particularly disruptive to local residents and contrary to the balanced, community-oriented usage pattern that has been carefully nurtured in the precinct.

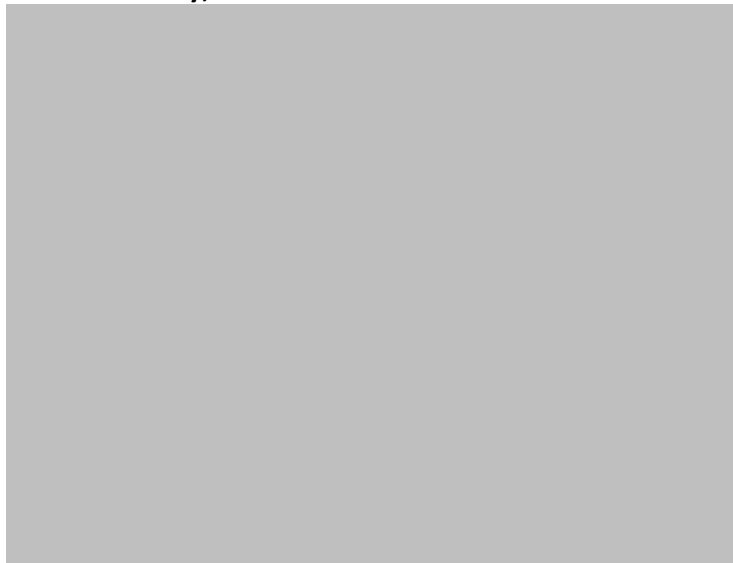

4. Visual and Cultural Incongruity

Associated corporate signage will likely be visually dominant and stylistically out of place with the streetscape of King Street, which prides itself on character shopfronts, heritage elements, and street-level vibrancy. The visual presence of a McDonald's outlet — especially if featuring its typical branding — undermines both aesthetic and cultural cohesion.

Conclusion

This proposed development is not in the public interest. It is incompatible with the existing character, culture, and economic ecosystem of Newtown. I respectfully urge the City of Sydney Council to reject this application and instead continue to protect the integrity and distinctiveness of one of Sydney's most iconic precincts.

Yours sincerely,

Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

Dear City of Sydney

I object to the proposal.

Little by little the landscape of King St is changing by allowing fast food venues. The rates are too expensive for independent and interesting eateries and now franchises/multinationals with unhealthy food are rapidly appearing.

The heritage of the area is fast changing and in my opinion the King St vibe is on a downward slope.

I welcome your response.

thanking you

I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied
