Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

Objection Message

I am writing this message to object the prospect of a McDonald's tainting King Street.
The fast food chain has long been unwanted and despised by the local community, but due to ongoing gentrification there seems to be wannabe/Instagram hipsters who still need their McFlurry fix in Newtown.

I am not alone in my confusion and frustration of this prospect, The large portion of the Inner West and abroad community who work in hospo will not benefit the slightest from lame fast food suffocating local businesses.

I hope to hear no further nonsense regarding the prospect of a McDonald's in Newtown.
There are much funnier jokes to be had, like ones about chickens and roads, the kfc on King is another story...

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied

As a long time Newtown resident, I strongly appeal to reject this application and other further applications of a similar vein. This is not just about a business opening a few extra hours. Its a dangerous trend reaching critical mass. ruining Newtown as an alternative cultural hub.

I was walking by Newtown Station last Friday and overheard a couple talking. One said to the other: "Remember when we used to feel safe coming out here?" I could only agree with the sentiment.

The shortsideness of the City of Sydney to date has turned the main strip of King Street between Newtown Station and Missenden Road into an apocalypse of "drinking" venues, fast food, tobacconists and street violence, largely servicing the NON-RESIDENT population out to get wasted on the weekend.

It could no longer be described as "vibrant" nightlife of any quality. The smaller businesses competing to survive are forced to adopt this model to service the new demographic or shut down. As corporate junk food (such as KFC) move in, and allows 24-hour operation, it only applies the thumb screws to kill smaller players off even more.

Newtown's vibrant, alternative and individualist (and safe) reputation is quickly becoming a fiction. If its too late to keep Newtown "weird", at least put on the brakes to prevent it turning into the new Kings Cross.

Havent we learned from the mistakes that triggered the "lockouts" to begin with?

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.
I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.
King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.
I respectfully request that this development application be denied.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I would like to object to this application on the following grounds.

- In the area along King Street Newtown, between the traffic lights at Missenden Road and Church Street there are already mostly fast food takeaway businesses. None of these businesses to my knowledge have 24 hour licenses to operate 7 days a week.
- I am concerned that another fast food business will increase the number of Ebikes operated by home delivery companies, being ridden along the footpaths of King Street, Newtown. From what I observe there is no policing of the bike riders riding along the footpaths of King street now, making it dangerous at times to walk along the footpaths.
- The park known as the WJ Thurbon Reserve on Brown Lane is a popular spot for people buying takeaway food and most days is littered with garbage from these people even though there is a garbage bin on site. I believe another takeaway business, particularly if it gets a 24 hour 7 days a week license will increase the number of people using the reserve and increase the garbage left behind. The park also fronts a small apartment building, with residents already having problems with the noise from people using the reserve late at night..

Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the cleanliness and safety of Newtown. This style of restaurant will increase late-night noise, litter, the amount of loitering after hours.

This DA will severely damage all surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

It would be a shame to subject such a colourful, unique and community based street to another corporate chain.

There are more than enough chain restaurants already established upon King Street, which has already had a huge negative impact upon surrounding businesses and residents.

I respectfully request that this development application be denied.

Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied

Objection Message

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I respectfully request that this development application be denied
