Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area. As a regularly to Camperdown memorial park, I am concerned of the risk of increased Uber or food courier services using the public foot path as a fast short cut for their routes, we have had an increase of incidents (dogs and children hit) with these courier services due to terribly increased speeds and by adding a 24 hr McDonalds this will only cause more disruption.

I also believe it will truly impact the housing crisis, unknowingly probably causing rents to rise and house prices to skyrocket due to a capitalistic commodity being introduced within the community. Build housing instead!

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Your Objection (edit or send as is):

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown. Your Objection (edit or send as is):

I'm writing to strongly object to Development Application D/2025/585 for 212–214 King Street, Newtown.

A 24-hr McDonald's has no place in this neighbourhood. It goes against everything that makes Newtown what it is. The area is known for its independent shops, creative energy and strong sense of community. Dropping a major fast-food chain into the middle of it, open around the clock, puts all of that at risk.

This kind of development would invite constant noise, rubbish, loitering and late-night behaviour that doesn't belong here. It also threatens the survival of small businesses that rely on Newtown being a destination for something different, not the same thing you find on every highway or in every shopping centre.

Newtown has pushed back against this kind of development before, and with good reason. This proposal does not reflect the values or character of the community. It's not what locals want, and it's not what this area needs.

Please listen to the people and reject this application. McDonald's does not belong in Newtown.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Your Objection (edit or send as is):

Having moved into Newtown this year, I am writing to formally oppose the proposal introducing a 24-hour McDonald's on King St. One thing that is always remarked upon when I show people from out-of-town King St is the uniqueness of the shops and restaurants. King St symbolises how capitalism should be functioning in society, with small businesses competing against each other in a fair market. Bringing a McDonald's in would not only ruin the unique character of the street but destabilise the delicate functioning local free market; where an international corporation can enter and undercut the competition given its vast resources and anticompetitive behaviours. Frankly I think it's disgusting that this proposal is being considered, which leads me to believe that whoever is in charge of this decision is making money off this.

With this in mind, I respectfully request that this application be denied.

Your Objection (edit or send as is):

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Subject: Submission - D/2025/585 - 212-214 King Street NEWTOWN NSW 2042 -

Caution: This email came from outside the organisation. Don't click links or open attachments unless you know the sender, and were expecting this email.

I write to object to the proposed 24 hour operation of a restaurant and takeaway service at this location. As a resident of Hordern St and a previous resident of flats at 2-6 Brown Street I object to this proposed 24 hour operation because of my concerns for late night safety of residents in this area. Having lived at the flats as a working woman, and now an elderly woman, I experienced the taunting and harassment of crowds of young men late at night and in the very early morning on my way to work. They were frequently intoxicated and hanging around outside the 24hour retail store (7 Eleven) that used to operate on the corner of Brown Street. A 24 Hour Macdonalds will likely lead to similar congregations. Why do they need a 24 hour licence? Why can't they operate like other businesses in this area (e.g Clem's chicken shop on the corner of Brown st). Late night and early morning safety is an issue for local residents not to mention the rubbish and mess likely to be generated by this takeaway business. Surely this will be an issue for Sydney council waste collectors. It's good to see the Council workers go through to clean up King Street in the early hours of the morning after pubs and food businesses have closed. At least we can step out onto a clean street to go to work! Allow a 24 hour food business and it'll be like stepping out into an ashtray once again. I don't object to a Macdonalds but I do object to them operating 24 hours.

Thankyou for considering my objection.

Yours sincerely

Letting a Mc Donalds open next to Clem's is ridiculous.

Anyone thinking that a McDonald's will positively contribute to the environment on King St is an idiot.

It's crap food and it looks ugly.

Thanks for your consideration. Can't believe this is even being proposed. If the council has half of the moral strength of a wet paper bag they'd bin this development application without a second thought.
