Your Objection (edit or send as is):

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown. I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown. The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

This application has been met with wide community disapprobation; I covered it for the local newspaper City Hub and found no shortage of opposition.

I oppose the opening of a purported 24-hour McDonald's due to the potential harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown. I live in Newtown and I don't want Macca's rubbish all along the streets and crazy scenes like what you see at Circular Quay Macca's. It's not the vibe of the street which has lots of small businesses and nice bars. It would badly effect the culture of the place I've chosen to live.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

After hearing that a McDonalds is planned for King Street, I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.

The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area. There are many takeaway and fast food options on King Street for locals and visitors alike. If locals want McDonalds they have preexisting options in Waterloo and Stanmore, and many other food options along King Street.

I respectfully request that this application be denied.

Thank you for taking the time to read this objection. I hope it is one of many.

Dear City of Sydney Council, and Inner West Council

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area. As a regularly to Camperdown memorial park, I am concerned of the risk of increased Uber or food courier services using the public foot path as a fast short cut for their routes, we have had an increase of incidents (dogs and children hit) with these courier services due to terribly increased speeds and by adding a 24 hr McDonalds this will only cause more disruption.

I also believe it will truly impact the housing crisis, unknowingly probably causing rents to rise and house prices to skyrocket due to a capitalistic commodity being introduced within the community. Build housing instead!

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

I oppose the proposal to introduce a 24-hour McDonald’s due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

To whom it may concern,

My deep misgivings about the opening of a 24-hour MacDonalds at 212-214 King St Newtown, are basically just the same as those I've already heard from the majority of the community and nearby residents.

The more logistical/practical reasons for not wanting the planned outlet to go ahead are as follows-

-Pollution.

Fast food outlets with all their extra packaging and wrapping etc always mean more rubbish. The 24/7 nature of the venue means there will be twice the amount produced as a normal food outlet.

Also any patrons scoffing Maccas at 2AM of a Thursday morning are invariably not too worried about depositing their refuse in a nearby bin.

Traffic-

King St is already clogged up with delivery drivers. They invariably ride on the footpath, obstruct foot traffic, and cause chaos with buses. I have personally witnessed at least 5 altercations between food delivery riders and cars or buses on King St over just this month. Every Saturday you can depend on it!

Noise-

Anywhere that operates 24/7 is going to cause noise at an hour that would usually be quiet.

As well as the more "harmless" noise, I think we'd be hard-pressed to find a 24-hour Macca's that has not had a loud altercation occur out the front of it.

Loss of revenue to established local business-

Clem's the chicken shop next door will no doubt lose business to this well-known franchise, as even though their food is better and already cheap, it will not be able to compete with how low a corporation like MacDonald's can go. Pricewise.

People who are attracted to the more eclectic and "bohemian" nature of King St will stop coming if it's peppered with fast food franchises like this one. The entire strip will lose its appeal.

As for more ideological reasons,-

A vocal majority of the community are not politically aligned with a corporation like MacDonald's. A lot of people choose to live here because it isn't the kind of suburb that hosts this kind of company.

Newtown is thought of as a "safe space". The idea of a 24/7 MacDonald's with drunk lads spilling out of it and taking their Happy Meals into the nearby alley's etc to eat, makes it seem less so.

In short, this kind of venue attracts some pretty undesirable people.

The idea of this type of venue opening to cater for the night time economy, lends concern that King St will become a strip made for the weekend tourist dollar, instead of being owned by the residents.

Rather than feeling like a community or haven, it will be turned into a soulless strip, undesirable as a neighbourhood.

On a more cynical note (that may be in the interest of local landlords) the very reason the rents are so high here is because there is not a MacDonalds here. It is because it is a pocket of creativity, community, and bohemianism, largely populated by free thinkers. It is because there is nowhere else like it in Sydney. If it does become like everywhere else in Sydney, expect its appeal to be diminished and its residence less sought after basically.

Thankyou.
Regards,

Your Objection (edit or send as is):

Dear City of Sydney Council,

Please see below a formal objection from a community member regarding the proposed development at 212–214 King Street, Newtown.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown. I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown. The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.

I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity 30 years ago and still to this day !! 24 hour businesses would also invite unnecessary violence and anti social behaviour!

I respectfully request that this development application be denied

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.

I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area’s identity.

I respectfully request that this development application be denied

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.
Newtown has previously rejected fast food development, and I believe this proposal does not align with the character or values of the area.
I respectfully request that this application be denied.

I am writing to object to DA D/2025/585 for 212–214 King Street, Newtown.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area’s identity.

I oppose the proposal to introduce a 24-hour McDonald's due to its potential impact on the unique culture, small businesses, and community of Newtown.
The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

I believe a 24-hour fast food outlet at this location would significantly impact the character of Newtown, increase late-night noise and litter, and hurt surrounding small businesses- businesses owned by locals not international corporations with questionable ethical records.

It's also not in keeping with the needs of the community and will have a negative effect on the character and therefore tourism perception of the street.

King Street is known for its diversity, arts culture, and independent food scene — and many residents feel this proposal does not align with the area's identity.

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.
I oppose the proposal to introduce a 24-hour fast food chain due to its potential impact on the unique culture, small businesses, and community of Newtown.

The introduction of large corporate franchises hurts the deeply rooted small businesses in the area and frankly threatens to ruin the fabric of what makes Newtown an important and unique community. It also starts a domino effect, there is a new kfc, then a McDonald's, then after that new DAs flood in, are approved and all culture and identity is lost.

The presence of a major fast-food chain operating all hours undermines the local identity and risks increased noise, waste, and anti-social behavior.

Dear City of Sydney Council,

I am writing to formally object to Development Application D/2025/585 for 212–214 King Street, Newtown.

I oppose the proposal to introduce a 24-hour McDonald's due to its harmful impact on the culture, small businesses, and community identity of Newtown. This development risks increased noise, waste, and antisocial behaviour — and does not align with the values or character of the area.

Newtown has previously rejected similar proposals and I believe it is vital we do so again.
